

Join the summer DoodleMaths Challenge

- The DoodleMaths Challenge encourages children to use DoodleMaths for a few minutes a day, helping to build their confidence and maintain their learning without hours of indoor studying.
- All the children who complete the Challenge will earn an exclusive pin badge and certificate!

How to take part

- If you are yet to set up and link a parent account, do this first. To find out how, please visit help.doodlelearning.com and search 'how to link account'.
- Visit parents.doodlelearning.com and press 'Register for the Challenge' next to your child's name. Press on the blue plus icon to register for the DoodleMaths Challenge.
- Then, encourage your child to **earn 750 stars** (or 600 stars if they were born on or after 01/09/13) and **achieve a 14-day streak** in DoodleMaths before the 31st of August.
- Once they've reached their target, you can claim their reward by visiting parents.doodlelearning.com and pressing 'Claim' reward next to their name before midnight on the 31st of August.

For more information, please visit doodlelearning.com/summer-challenge

Any questions? visit help.doodlehq.com and click on the green icon to chat to our team.

Good luck, and happy Doodling!
